NINBUS

Screen / Store Vertical

NINBUS Scroop / Store Vortice

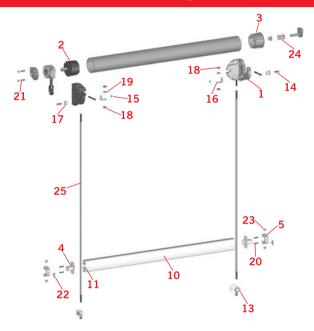

Screen / Store Vertical

Vertical rolling up screen for the external side of large windows.

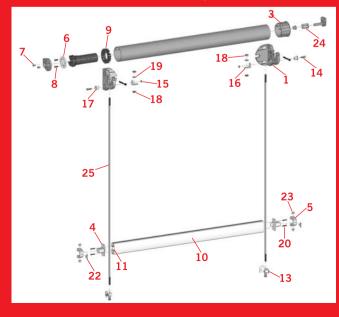

Officially approved for Class 2 at the standard version and for Class 1 at the box option. Use range: maximum height and width of 5 m. Compatible with Ø78 tube, set of injection brackets, Ciclon gear and 50 series motor.

The guidance system (stainless steel rod, up to Ø10 mm) has a blockage device that can be height regulated in order to avoid any problem or damage with the fabric. The rod lower fixing set has a tensor that avoids any rod/rope twisting at the tension moment (up to a Ø10 mm rod/rope can be fixed to the floor or to the wall).

NIMBUS Screen Scheme for Ø10 mm rod, with gear Schéma Store Vertical NIMBUS avec tringle Ø10, à treuil

NIMBUS Screen Scheme for Ø10 mm rod, with motor Schéma Store Vertical NIMBUS avec tringle Ø10, motorisé

Store à guidage vertical pour placer à l'extérieur de fenêtres de grandes dimensions. Homologué en Clase 2 pour version sans coffre et en Classe 1 pour la gamme qui incorpore le coffre.

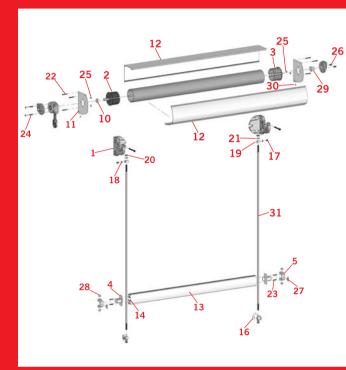

Rang d'utilisation: hauteur et largeur maximum de 5 m. Compatible avec axe Ø78, jeu de supports injection, treuil Ciclon et moteur série 50.

Le système de guidage (tringle de maximum Ø10 mm en acier inox), il incorpore un système de blocage en hauteur pour éviter possibles irrégularités ou dommages dans la toile.

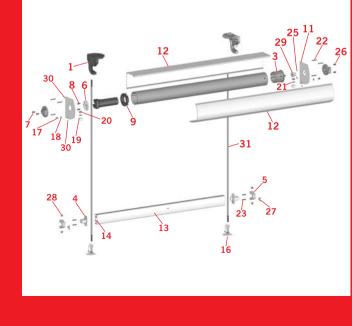

Kit de fixation à l'intérieur composé de tendeur pour éviter que la tringle puisse se tordre au moment de tensionner la toile (on peut le fixer au sol ou au mur).
